Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 26, 1996

SUBJECT: **SB 2015 - HB 2119**

This bill, if enacted, will, among other things, extend the termination date of the Tennessee Duck River development agency board of directors until June 30, 2002. Under the "Tennessee Governmental Entity Review Law", the Tennessee Duck River development agency board of directors is scheduled to terminate on June 30, 1996.

The fiscal impact from continuation of the Tennessee Duck River development agency board of directors, if the bill is enacted, is estimated to be minimal.
